Subject: CSI-NJ Healthcare Summit #2 - Dec. 20th

Hi Rich;

Just a brief note to let you know that we have set the date for the next Healthcare Summit for Dec. 20th at the Statehouse, Committee Room #6.

Dr. Alaigh and Christie Herrera, Director of the Health and Human Services Task Force at the American Legislative Exchange Council (ALEC), will be co-chairing and we're planning to invite participation by key healthcare experts from Heritage and CATO. The focus for this session (we have 3-4 more in the pipeline) will be the Comprehensive Medicaid Waiver and ACOs.

We will look to you folks as well to present the administration's position on the above. We'll be inviting all the key stakeholders and the bi-partisan leadership and as soon as we have the draft agenda we'll get back to review specifics, but we wanted to give you the advance for planning purposes.

If you have any thoughts/suggestions please feel free to communicate directly.

Thanks,

Jerry
